- Note: use larger hooks for 3-6 mo size and use smaller hooks for newborn size.

### **LENGTH CHANGES:**

- If you desire waist length, adjust # of rows completed for all pieces.
- Sleeve shortening or lengthening requires adjustment to increase rows placement in piece.
  - There are 6 increase rows which have both ends increased.

## **STITCHES AND ABBREVIATIONS**

- Fasten off (fo)
- Loop, loops (lp, lps)

- Skip (sk)
- Stitch, stitches (st, sts)
- Tunisian purl stitch (Tps)
- Tunisian simple stitch (Tss)
- Wrong Side (WS)
- Yarn over (yo)

## **ADDITIONAL NOTES**

- Each Tunisian row consists of a forward pass and return pass that counts as one row. Do not turn your work; the RS is always facing you.
- Always skip the first lp on each row (the one at the leading edge). The lp on your hook counts for that stitch.
- In this pattern always end a forward pass with a Tss anchored firmly in the last lp on the row, as well as the horizontal thread that runs behind it.
- Additionally, the last st on the forward pass is always a Tss. That means that sometimes you will have two Tss at the end of a forward pass.
- The number of chain stitches you start with is the number of stitches you will have on subsequent rows.
- Every return pass is worked as follows: Yo, pull through 1 lp. \* Yo, pull through 2 lps. Repeat from \* across until 1 lp remains on hook.

### Completing Right Front:

**Working on right side 21 stitches.**

## SLEEVES (make 2) (for color block version make one of each color)

Note: Sleeves can be made a different color if desired.

**RIBBING:** With smaller crochet hook, ch 6.

Sc in second ch from hook. Sc in next 4 chains. Ch 1, turn.  
Sc in 5 sc, ch 1, turn. Repeat.  
Do 24 rows of ribbing. On last row last stitch keep finished loop on hook.

### **BODY OF SLEEVE:**

Pull up loop in each row so that you have 25 loops on hook. Return. Follow pattern for rows to create HoneyComb pattern.

**For 0-3 mo size:** Increase in rows: 2, 6, 10, 15, 20. [Note: This creates 10 increases of 2 increases per increase row. Do increase rows with increase at one each end. Increases should be done in second stitch from end and not the first stitch or last.] When sleeve is done it should have 35 loops/stitches. [I had 24 rows of body after the ribbing.]

Note: 0-3 mo size: Row 2 = 27 stitches  
Row 6 = 29 stitches  
Row 10 = 31 stitches  
Row 15 = 33 stitches  
Row 20 = 35 stitches  
Row 24 = 35 stitches

**For newborn size:** Increase in rows: 4, 10, 18. [Note: This creates 6 increases total stitches [of 2 increases per increase row]. Do increase rows with increase at one each end. Cap of sleeve should be 6" wide for newborn and 6 ½" for 0-3 month sizes.

### **FINISHING PIECES**

Using a tapestry needle, weave in loose ends. Gently steam block the sweater.

Note: See Schematic at the end of this pattern for more information.

### **ASSEMBLY**

- ❖ Using additional yarn and with RS together, sew shoulder seams, leaving 8 sts on the inside of each panel unsewn. These will be for the neck opening.
- ❖ Position sleeves so they are centered along the shoulder. With RS together, sew the sleeves onto the shoulders.
- ❖ With RS together, sew sleeve seams.

## EDGING

Turn sweater Right Side Facing. Use G [4.25mm] for 0-3 mo or F [3.75mm] hook for newborn. [Use Main Color used in Body]

Row 1: Join yarn at the bottom of ribbing. Sc up front of sweater (35 sts), work 3 sc into next st, sc in each st around neckline (34 sts), work 3 sc in next st, sc down the other side (35 sts). Ch 1, turn.

[If using a Trim Color, join here.]

Rows 2-3: Sc up the front of the sweater, work 3 sc in center sc of 3 sc from corner of previous row. Sc around neckline, work 3 sc in center sc of 3 sc from corner of previous row. Sc down other side of the front of the sweater. Ch 1, turn.

Row 4 (buttonhole row): Sc in first 3 st, ch 2, sk 2 sc, sc in next 4 sts, \* ch 2, sk 2 sc, sc in next 4 sts. Repeat from \* until there are 5 buttonholes. Continue sc up front of sweater, work 3 sc in center sc of 3 sc from corner of previous row, sc around neckline, sc down front side. End Off.

## COLLAR:

[If using a Trim Color, join at center sc of 3sc group.]

Row 1: Sc around neckline, placing only one sc in center of 3 sc from previous row. Ch 1 (this is the final stitch on this row), turn.

Rows 2-4: Sc in each sc across collar. Ch 1, turn.

Row 5: Sc in each sc across.

Row 6: Ch 1, sc around with 3 sc in corners. End Off. [Note: Up front, around neck, down front.]

## FINISHING

Weave in ends. Block sweater again if desired. Sew on buttons, making sure they are securely attached so a child could not pull them off.

As a further embellishment, I added a little flower to the back. Any flower pattern will do should you opt to add this.

## Wrist Ties: [make 2] Using Trim Color

Ch 90, slip stitch in second chain from hook and rest of chains. End Off. Hide ends. Weave Through wrist area above ribbing. Tie a bow.

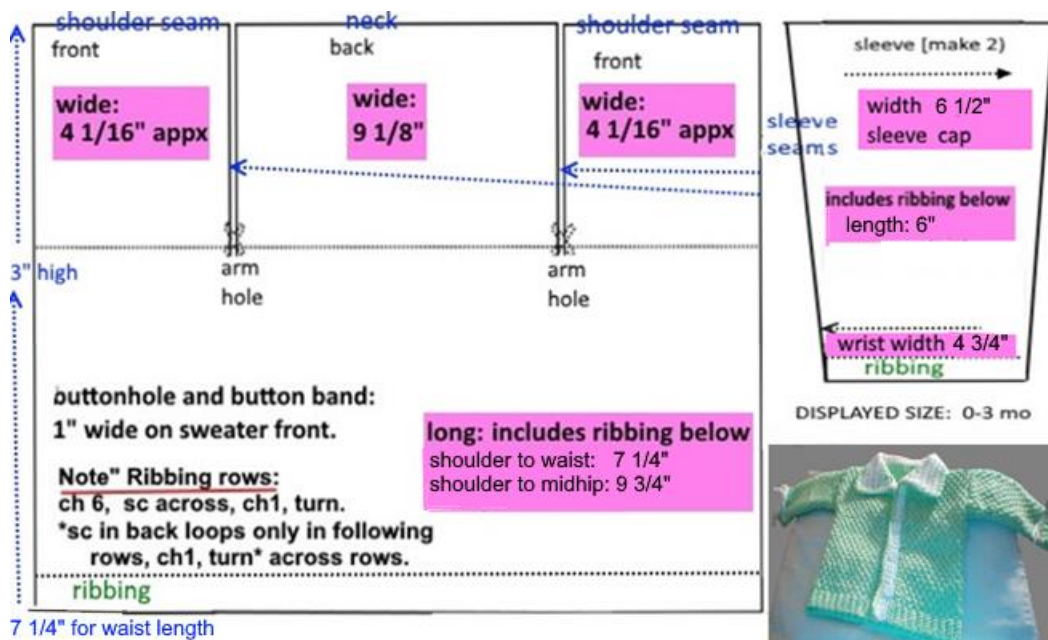

## How to Seam Tunisian Crochet

There are **two preferable methods for seaming Tunisian crochet pieces**: the mattress stitch and the chain or slip stitch.

**The mattress stitch** (also known as the woven stitch) creates a thick but even seam that closes all gaps. To start, place the two pieces right side up and side by side, then insert a tapestry needle into the two horizontal bars of a stitch at the bottom of either side piece. Then insert the needle on the other side piece under two horizontal bars of a stitch. Go back and forth between the pieces, gently tugging on the yarn to pull the two pieces together.

**The chain stitch** seam should be utilized when your pieces are in the Tunisian knit stitch since it mimics this stitch. Place the two pieces together, wrong sides facing each other, and use the same hook size as used in the piece. Join the yarn with a slip stitch at the base and chain stitch through both layers of the fabric.
